Sub Revision of the scale of pay of the bill collectors in Kolar Town Municipality

Sir,

In forwarding herewith a copy of the resolution of the Kolar Municipal Council passed in their meeting held on 26-4-44 in the matter of revising the scale of the mohatharafa bill collectors to Rs 20-1-25 per menser, I have the honour to state as follows -

2 There are at present 3 bill collectors on Rs 12-1-15 as sanctioned by Government in their order No F 6905-6 Rl 16-35-43 dated 15-2-36 The town consists of 4196 houses and the number of khatedars is 5000/- The town is divided into 3 divisions for convenience of collections work and each bill collector is entrusted with the accounts and collection work of one divisions In addition to mohatharafa tax the special Sanitation cess, Additional education cess and Lighting and water taxes have to be recovered from the tax payers in time The normal receipts of the Municipality being just equal to the normal expenditure prompt action is necessary to recover the Demand as it accrues The President has reported that the present staff has been working hard and satisfactorily to reduce the arrears It is seen from the enclosed statement received from the President which shows collections for the past five years, that the collection work is improving

3 As the chances of promotion to the bill collectors are very remote, the Municipal Council, having considered the revision of the scales have resolved on 26-4-44 that the grade may be raised to Rs 20-1-25 p m in the case of all the 3 bill collectors The financial effect of this proposed revision is an increase of Rs 9/- per month or Rs 108/ per year as shown in the enclosed proposition statement and necessary provision for the increase has been made in the current year's budget of the Municipality
